Camp Chief Hector YMCA day camps allow children ages six to twelve the opportunity to learn teamwork, co-operation and creativity while having fun and experiencing challenging activities. Activities may include archery, exploring, climbing tower, day-hikes, challenge course, games, environmental activities, swimming, arts and crafts, and canoeing. Eshguwin campers can experience our high ropes course. Age-appropriate assistance and risk management directions are provided for campers throughout their stay. A Camp Chief Hector YMCA counsellor will lead this week-long adventure for a group of eight to ten campers.

Camps run Monday to Friday 8:55am to 4:00pm. Transportation is available for an extra fee from Canmore and Exshaw.
